Any groups allowed access to FITUR 2018 have to belong exclusively to a **professional training scheme within the tourism industry**. This means that **with this application you need to attach a letter with the list of students who wish to attend, signed by the Director or authorised person who certifies said training.**

Group tours can be undertaken **exclusively on 20 January from 10 am to 8 pm and 21 January from 10 am to 6 pm.**

To speed up the processing of this application, please address it, **together with the letter from the school and confirmation of bank transfer, to fitur@ifema.es or to fax no. 91 722 57 87 by 22 December 2017.**

Once the FITUR Organisation has received and confirmed the application, it will be stamped and sent back to you. This will be the document you need to show at the **North Gate Ticket Office**, where they will issue the individual student passes. If the bank transfer has not been made, the price of the ticket will have to be paid there.

These passes will be handed only and exclusively to the teacher / representative, who will have to show his/her accreditation as such and who will be registered as a professional visitor and be given a free admission ticket. The teacher's presence is excluded in the case of students of a Master's in Tourism.
