

“SUSTAINABLE STAND” AWARD

This award is organised in collaboration with the Institute of Responsible Tourism - ITR - which has designed the questionnaires to be provided by the candidates and will verify, if it considers it necessary, the information provided by the participants through this means.

PARTICIPANTS

All companies with a stand at FITUR 2020, i.e. direct exhibitors at the fair, may participate in the call for entries.

HOW TO PARTICIPATE

Main stand holders at FITUR who wish to participate in this call must complete and send the questionnaire published in this section of the website and, if the Organization deems it necessary, pay a verification visit during the fair. The deadline for submitting applications is set at 7 pm on 23 January 2020 (end of the second day of the fair).

WINNER'S CHOICE

The Jury, made up of people of recognised prestige in the field of tourism and sustainability, will evaluate the information provided through the form as well as the impact of the actions, their degree of innovation and the effort in their application, and will issue its ruling which will be unappealable. Only one prize will be awarded and this may be shared aex equo or deserted.

PRIZE

The prize consists of a diploma and a trophy that will be awarded, after the announcement of the decision, in an event whose date and time will be notified to the winner in advance.

ADVERTISING

The award will be notified through a joint press release with the results of the other stand awards announced by FITUR.
