OBSERVATIONS

- All services or modifications the exhibitor wishes to make to these basic features shall be at their own expense. The elimination or substitution by the exhibitor of any formative element of the modular stand does not imply a reduction in cost.
- Efforts will be made to adapt the distribution of all elements comprising the stand, any additional parts requested and all the **structural elements to support the stand to the exhibitor's** needs, whenever technically possible and the plan of the relevant instructions is received at least 15 days before the start of assembly.
- Once the stand has been assembled, changes in the placement of any element which have not been communicated by the set date will be invoiced.
- All material used, both structural and electrical, is rented, and therefore, any deterioration will be billed at current rates.
- In addition, any exhibitor may book additional elements which appear in the IFEMA Services Catalogue.
