PRIVEL

## 1.1.

Space can be booked by completing the participation request form available on the fair website [ifema.es/privel](https://ifema.es/privel), together with proof of payment of the space reservation fee.

## 1.2.

To apply to take part in the fair, it is a requirement that the activity of the company, public or private organisation, is included within the sectors covered by PRIVEL. The admission of applications, as well as the allocation of spaces, will be approved by the Competition Management. The PRIVEL management may decide on the final location of the stands for organisational reasons.

## 1.3.

In case the CONTRACTING COMPANY designates another entity as the BILLING COMPANY, the details of both must appear in the corresponding section of the application form. Notwithstanding the above, if the designated entity does not make the payments within the established deadlines, the Organiser undertakes to pay them at the simple request of IFEMA MADRID. Invoicing data cannot be changed after the end of the fair.

## 1.4.

The presentation of the participation application constitutes a non-revocable commitment by the applicant and implies full acceptance of IFEMA MADRID's General Rules of Participation and the generic provisions established by the fair organisers.

## 1.5.

The exhibitor's withdrawal from participation in the event shall be grounds for effective termination of the contractual relationship between IFEMA MADRID and the exhibitor. The cancellation must be communicated in writing to the show management and will entail the loss of the amounts that the exhibitor should have paid by the date of communication, in accordance with the schedule of payment deadlines provided in the application for participation. If the cancellation takes place within 30 days prior to the opening of the fair, IFEMA MADRID may demand full payment of the space contracted.

In the event of cancellation of the trade fair due to force majeure, the sums paid for participation in the trade fair will be refunded, in accordance with Article 15 of the General Rules of Participation in events organised by IFEMA MADRID.
