# EDUCATION QUALITY INNOVATION IMPULSE IDEAS YOU.

From 4 to 8 March 2020 and within EDUCATION WEEK, there will again be five events: the **INTERNATIONAL EDUCATIONAL OPPORTUNITIES EXHIBITION, AULA**; the the **International HIGHER EDUCATION AND ONGOING TRAINING FAIR**; the **Educational Resources Congress and Trade Fair CONGRESO RED/INTERDIDAC**; the **EXPOLEARNING International Congress and Professional Fair**; and **SCHOOLS DAY, the Families and Schools Day**;

EDUCATION WEEK offers solutions to current needs, informing on the opportunities on the job market, education and training throughout its areas and halls, in synergy. It is backed by the Ministry of Education and Vocational Training and by the main Spanish education institutions and organisations.

Education orientation for students, families and teaching professionals is one of the main purposes of Education Week. A personalised service, free of charge.

# THE PRESENT IS ONLINE

IA AND 5G APPLIED TO ELEARNING

**5 - 6 March 2020**

**EXPOELEARNING** is the leading international event, specialising in e-learning, ICT and Digital HR, held on the 5 and 06 March 2020 in Spain and Latin America, dedicated to online training..

The 19th International EXPOELEARNING Congress is an essential event for industry professionals and companies, the main and fundamental meeting point for sharing knowledge and staying abreast of the latest in: e-learning platforms, digital content, online courses, Artificial Intelligence, machine and Deep learning, edTech, microlearning, mobile learning, apps, big data, virtual reality, gamification, etc.

**EXPOELEARNING** has held 18 editions in Spain and 7 in Latin America, and it is the annual benchmark event in the Spanish-speaking world for a full, updated and useful view of everything pertaining to online training.

## EXPORRH

EXPOELEARNING also contains EXPOHR, a commercial exhibition area for companies and consultancies dealing with HR, coaching, digital marketing agencies, employer branding, digital transformation services, etc...who wish to show their new products and participate in the **DIGITAL CORNER**: a free-access open area for commercial presentations..
